NEEKI DESIGNS - WONDER SHEET

Table 10

The Wonder Sheet (WS) is a unique style of fitted bed sheet owner Dominique Sanday designed for her dad who had Parkinson's disease. Turning over and getting in and out of bed was becoming difficult for him. The Wonder Sheet makes it easier. It's all because of the satin panel, which is under your shoulders, back and hips. People with other mobility issues tried the WS and got the same result; Increased mobility, more independence, more comfortable sleep and less effort required. Please come and see their display and Dominique will show you how it works. Turning over independently with less effort is now possible.
